

Drug & Alcohol Free Zone

Behaviour Guidelines

The Paradise Motor Inn is a quiet family motel located right in town. To ensure that we provide quiet safe environment for our guests during “Leavers” and respect the neighbouring community, we have set the following guidelines:

- Due to our duty of care responsibilities, and the new Liquor Laws, consumption or possession of alcohol by guests is not permitted. Therefore: for the duration of “Leavers”, Paradise Motor Inn will be strictly an “**ALCOHOL & DRUG FREE ZONE**”. Anyone booking for “Leavers” regardless of age must abide these guidelines.
- Anyone found supplying minors with alcohol will be reported to the police.
- Parents- **do not** bring alcohol into Paradise Motor Inn for your children; as this contravenes not only our “Duty of Care” responsibilities, but also the Liquor Laws, and will result in your entire group being asked to leave and forfeiting all monies paid.
- Quiet time is strictly 1 AM. When returning to the hotel at night, please be considerate of other guests and our neighbours. Should your group be warned about noise more than once, your bond may be forfeited and your group may be asked to leave.
- For safety & security, all guests are required to return to the motel and their allocated accommodation unit, no later than 1 AM.
- All accommodation units and other motel buildings are to be left in the same condition as they are presented to you on arrival.
- A cleaning levy will be deducted from bonds held should your unit require cleaning deemed to be in excess of normal cleaning requirements.
- All rubbish is to be placed in bins provided. Littering in and around the motel will not be tolerated.
- No outside visitors are to be invited to Paradise Motor Inn during your stay with us.
- Every student will be issued with a wristband @ cost \$30 to be worn for the duration of his/her stay. Lost or damaged wristbands will incur a replacement charge of \$50.

Due to “Duty of Care” responsibilities, if the above guidelines are not respected, students will be asked to leave the motel immediately. In the case of a group booking, the entire group will be asked to leave the premises immediately. **All tariffs paid, including bonds will automatically be forfeited.** Paradise Motor Inn’s aim is to provide a safe environment for all “Leavers” and build a friendly relationship. Respecting the above guidelines will help us achieve this goal.

This letter is to make “Leavers” and “Leavers Parents” aware not only of Paradise Motor Inn’s responsibilities, but also their responsibilities. We require the signature of all parents on these guidelines to confirm that you fully understand all the above guidelines. Parents will be contacted immediately should these guidelines not be respected.

Thank you Pauline
